

## Dance

The Illawong Public School **Junior and Senior Performance Ensemble** comprises students from Years 1 – 6. They have successfully auditioned and have performed at the McDonald's Performing Arts Challenge at the Sydney Opera House where they have placed first on two occasions in the Primary Jazz section. They have also performed as part of the NSW Schools Spectacular concerts at the Sydney Entertainment Centre.

The students have also performed jazz, modern and contemporary routines at the Sydney Region and State Dance Festivals held each year at the Seymour Centre. They have also successfully auditioned each year as part of the Sutherland Shire Music Festival.

These dedicated students meet each week to rehearse their choreographed routines. They are a very keen and dedicated group of young performers who strive to do their best and represent our school with pride.
