

Student Representative Council

The S.R.C. is made up of students from each class from Years 2 through to Year 6 who are elected by the class to become an S.R.C. member and to share with them all that is discussed at the meetings. The school captains and prefects are automatically in the S.R.C. As a bonus, each S.R.C. member receives a badge to wear every day.

The S.R.C. at Illawong Public School organises most of the fundraisers and fun days. They work hard at meetings, during lunch times on Tuesdays: reading class suggestions, working upon ideas, and arranging up and coming events. Some ideas are too difficult to accomplish, but a lot are acknowledged and made happen.

Some fun things that the S.R.C organises are: mufti days, where children wear casual clothing and bring a donation for a charity; teddy bears picnic, where children bring their teddies and enter them in fun competitions; pyjama day, where children wear their pyjamas to school; crazy hair day, where children make their hair as crazy as they can; Christmas fun day, where the S.R.C. organises Christmas related games like "Santa Sumo Wrestling" and prizes; Easter fun day; designing a new school hat; organising a school mascot; "Wong FM" and much more. The S.R.C aims to make the school life of students more interesting and fun.
